Following the initial assistance for affected people from the incident with 500 mattresses donated in January, this fund presentation aims at repairing and restoring the buildings, educational hardware and facilities, including improving the landscape for the 5 schools in Nakhon Si Thammarat. The objectives of this fund are for the academic continuity and well-being of the school's staff and students, in accordance with Banpu's corporate social responsibility policy that emphasizes learning as the fundamental of sustainable human and social development. In addition, the Company's volunteer civil engineers were sent to the sites for progress follow-up and being the counselors for the five schools throughout the recovery period.
