

**Banpu sponsors ICT development of schools in the three Northern provinces
for the 5th consecutive year**

Lamphun - Banpu Public Company Limited, for its fifth consecutive year, recently granted approximately THB 2.3 million to five schools in Lamphun, Lampang and Phayao provinces. The sponsorship given is aimed at improving the schools ICT systems and developing capabilities of their teachers and students so as to help enhance the schools educational quality, turning them into the sustainable learning centers for surrounding communities.

Photo shows: Witnessed by Dr. Somkiet Chobpol, Deputy Secretary General to the Office of the Basic Education Commission (the fourth from left of second row), Banpu management led by Khun Sathidpong Wattananuchit, Group Senior Vice President – Corporate Services (the fifth from left of second row) presented sponsorships to 5 granted schools.
