Banpu sponsors the GLOBE Project for three consecutive years

3 October 2008: Banpu Public Company Limited by Mrs.Udomlux Olarn, Senior Vice President - Corporate Communications and Public Affairs granted a financial support to the Institute for the Promotion of Teaching Science and Technology, Thailand's GLOBE coordinator, for organizing "The Season and Biomes Workshop" to be held during November 15-18, 2008 at Mae Rim District, Chiang Mai Province.

The workshop is aimed at providing scientists, teachers, and students nationwide the opportunities to learn about season and biomes from world class scientists as well as to share their experiences and build networking among them.
