Banpu Organizes "Research on Learning Process for Thinking Development" Workshop for Teachers of Granted Schools in Northern Provinces

15 - 16 July 2010 – Banpu Public Company Limited by Mrs.Udomlux Olarn, Head of Corporate Affairs (front row, third from left) organized the “Research on Learning Process for Thinking Development” workshop in Lampang. The workshop was conducted by educational experts from School of Educational Studies of Sukhothai Thammathirat Open University for 70 teachers of 8 schools in Lampang, Lamphun, and Phayao.

This teacher capability development workshop is part of “Banpu Education for Sustainability” project, one of Banpu’s CSR projects which has been implementing for 7 years. Participating teachers will also have a chance to conduct researches on learning process from real lessons to further develop their students’ thinking process in the future.
