### Banpu Arranges a Lecture on Constructive Use of Internet for Students of 6 Granted Schools in 3 Northern Provinces

7 - 10 February 2011 – Banpu Public Company Limited by Mrs.Udomlux Olarn, Head of Corporate Affairs (back row, fifth from left) arranged the special lecture titled, “Constructive Use of Internet and Online Technology” for 3,655 secondary students of six granted schools in Lamphun, Lampang and Phayao provinces. The lecture was conducted by experienced IT journalists to educate the students about the use of internet, games, and social network so that they can properly adopt the technology in their daily lives and study. This lecture is part of Banpu Education for Sustainability Project which has been run by Banpu Public Company Limited since 2004.
