

Banpu receives the trophy of honor for supporting Thailand's Higher Education Strategic Plan

Recently, **Banpu Public Company Limited**, a leading integrated energy solutions company in Asia-Pacific, led by **Mr. Rattapon Sukhunthee**, Vice President-Corporate Affairs, has been awarded the trophy of honor from **Assoc. Prof. Dr. Suvit Saetia** (on the right), President of King Mongkut's University of Technology Thonburi (KMUTT) with regard to the contribution of THB 1 million to support the implementation of Thailand's Higher Education Strategic Plan. The ceremony was held at the auditorium 108, King Mongkut's University of Technology Thonburi.

Thailand's Higher Education Strategic Plan was introduced by the Ministry of Education, who nominated KMUTT, in cooperation with Japan's advisory team, to develop, implement and deliver the outcomes within a 20-year timeframe. The plan aims to develop human resources' competencies in both educational and professional

levels, promote new researches and create innovations which propel national socioeconomic development.

Banpu holds a firm belief that **"Learning is the power of change and development."** We promote 'learning' activities internally and externally, including CSR programs for children and youth, the valued assets of the country, who will drive community and society development in the long term.
