Since 2007, Banpu has continuously granted the financial aids to support the schools in the affected vicinity for 13 consecutive years with the aim of restoring those schools, supporting continuity of the study as well as providing adequate supplies and other aids for improving education quality. This ongoing contribution is driven by the Banpu's belief that **"learning is the power of change and development"**, while giving moral support to the teachers and students. Currently, Banpu has provided financial support to 129 schools in five provinces namely Narathiwat, Pattani, Yala, Songkhla and Satun.

###

About Banpu Public Company Limited

Banpu Public Company Limited is a leading integrated energy solutions company in the Asia Pacific operating three core groups of businesses – energy resources, energy generation, and energy technology – in ten countries: Thailand, Indonesia, China, Australia, Lao PDR, Mongolia, Singapore, Japan, the United States of America and Vietnam.

"Learning is the Power of Change and Development"

Banpu's CSR and other social-oriented activities are based on the firm belief that "learning is the power of change and development" for people and society by emphasizing the promotion and development of continued "learning" among young people and communities in a number of ways. Banpu supports sustainable development of communities and society through a variety of learning opportunities for both individuals and teams, ranging from daily real-life experiences both in- and outside the classroom, to hands-on practice that enhances capabilities and skills.
