Banpu Provides Sweaters to People in Remote Areas with a Total Value of THB 500,000

Recently, Banpu Public Company Limited delivered 2,000 sweaters worth THB 500,000 to people in Tha Song Yang District in Tak Province as well as Fang and Mae Chaem Districts in Chiang Mai Province. In such areas where the weather is very cold in the winter, most of the population is insufficient and donations are less accessible due to remote locations. The Company has coordinated with local government agencies and the "Help Keeper Group - Volunteer People" in delivering such sweaters.

Banpu has always given importance to CSR activities under both normal and crisis situations with the hope that our support will play a part in alleviating suffering for the people and encouraging everyone to go through this hardship together.
