

Banpu CEO Shares Sustainability Vision at "The Visionary CEO's Guide to Sustainability" Forum

Recently, Mr. Sinon Vongkusolkrit, CEO of Banpu Public Company Limited, was invited to participate a panel discussion on "Sustainability Transformation and Circular Business Models" as part of the CEO Forum: The Visionary CEO's Guide to Sustainability. He shared insights on global energy trends and highlighted Banpu's initiatives to deliver sustainable energy, including efforts to reduce carbon emissions in its operations. These initiatives are such as Carbon Capture, Utilization, and Sequestration (CCUS) and Energy Storage Systems (ESS) businesses.

The CEO Forum was organized by the Thailand Management Association (TMA) to promote business management approaches that drive sustainable growth in the energy sector. A total of 72 CEOs and senior executives from both the public and private sectors participated in the event.
