

## Banpu Listed in DJSI for 11<sup>th</sup> Consecutive Year

Banpu Public Company Limited, a leading versatile energy company, has been selected as an index constituent of the Dow Jones Sustainability Indices (DJSI) for the 11<sup>th</sup> consecutive year. This achievement reflects Banpu's unwavering commitment to sustainable energy delivery while meeting the rising global energy demands. The Company continues to operate with a focus on Environmental, Social, and Governance (ESG) principles, underscoring its dedication to creating a sustainable future.

This year, Banpu achieved a higher DJSI score, driven by significant advancements in three key areas. The Company enhanced its **waste and pollutants management** by implementing comprehensive policies covering all types of waste across its business operations. The Company also strengthened its **materiality assessment** through ongoing stakeholder surveys conducted by external parties and adopted a double materiality approach to evaluate sustainability issues from both impacts on business operations and on the environment and society. Additionally, Banpu demonstrated its commitment to **transparency and reporting** by disclosing performance data aligned with the Sustainability Taxonomy in its 2023 Sustainability Report, reinforcing its dedication to sustainable development and robust ESG practices.
