Banpu Public Company Limited continues to stand alongside Thai people during times of crisis. Through its initiative “Southern Flood Relief by Banpu,” the company has provided support to communities affected by the severe flooding in the Southern Thailand and visited families of employees and people impacted by the disaster. A total budget of THB 2 million has been allocated to help ease hardship and assist communities on the path to recovery.

Recently, **Mr. Sinon Vongkusolkit, Chief Executive Officer**, together with Banpu’s management team, traveled to Songkhla Province to meet affected employees and their families.
