

Banpu Wins “Leading of ESG” at Future Trends Awards 2026
Reinforcing Its Position as Sustainability Leader

Banpu Public Company Limited, a versatile energy company, represented by Mr. Jirameth Achcha, Head of Corporate Services, received the “Leading of ESG” award at the Future Trends Awards 2026. The recognition underscores Banpu’s exemplary leadership in advancing sustainability strategies that are fully integrated with business growth to deliver long-term value to all stakeholders.

For over 40 years, Banpu has upheld ESG principles as the foundation of its operations. Today, the Company has elevated this commitment through its “Energy Symphonics” strategy, steering the organization toward its Net Zero target by 2050. At the same time, Banpu continues to embed sustainability into its DNA through a corporate culture that fosters “Committed” behavior, anchored in integrity and sustainable development—empowering every employee to serve as a key driving force in advancing the energy transition.

The “Leading of ESG” award is one of the awards presented at the Future Trends Awards 2026, granted to organizations that demonstrate outstanding performance in conducting business with dedication to environmental, social, and governance (ESG) principles. The award is organized by Future Trends, a leading media platform covering business, technology, marketing, and innovation, with the judging process for this award conducted in collaboration with the Sustainability Business Development Institute (SBDi).
