

## Banpu Strengthens AI Capabilities; Senior Executives to Visit Leading Companies in China

Recently, Mr. Sinon Vongkusolkit, Chief Executive Officer of Banpu Public Company Limited, led a team of executives from Banpu headquarters in Thailand and Banpu’s office in China on a visit to leading global AI companies, including Baidu, Wenge AI, 01.AI, ByteDance, iSoftStone, IFLYTEK and Beijing Electronic Digital Intelligence Technology (BEDI) in Beijing, the People’s Republic of China, under the **Banpu AI Development Program for Executives**. The program aimed to provide Banpu executives with opportunities to learn from world-class organizations on how AI can be systematically and effectively applied to transform businesses and industries. The visit also focused on exploring approaches to leveraging AI in developing products, services, and customer experiences that better meet customer needs, as well as exchanging strategic perspectives on driving organizations and industries through AI technology. The insights gained will support Banpu in leveraging business opportunities in the future.

This executive study visit reflects Banpu’s commitment to integrating AI into the organization to enhance operational efficiency, strengthen competitiveness, and drive sustainable organizational transformation.
