

Banpu Continues Its Strong Performance, Ranked in Fortune Southeast Asia 500 for the Third Consecutive Year

Banpu Public Company Limited, a leading versatile energy company, has been ranked in the **2026 Fortune Southeast Asia 500** for the third consecutive year by Fortune magazine. The recognition reflects the Company's strong business performance under its **Energy Symphonics strategy**, which enhances resilience in navigating challenges while creating new business opportunities to drive sustainable growth. It also reinforces Banpu's role as one of the companies contributing to economic growth and energy security across Southeast Asia.

Mr. Sinon Vongkusolkit, Chief Executive Officer of Banpu Public Company Limited, said, "Banpu is committed to creating energy solutions that meet both current and future energy needs. By connecting and integrating businesses across nine countries in the Asia-Pacific region, we aim to expand the region's energy capacity in a resilient and responsible manner. This continued international recognition is made possible by the dedication of our employees, who work together to drive the organization forward, support business transformation, and create long-term value for all stakeholders."

The Fortune Southeast Asia 500, compiled by Fortune, one of the world's leading business media publications, ranks the 500 largest companies in Southeast Asia based on revenue generated in fiscal year 2025. The ranking covers companies across seven countries — Indonesia, Thailand, Malaysia, Singapore, Vietnam, the Philippines, and Cambodia. The energy sector continues to play a key role in driving economic growth in the region.
