Subject: Earthquake in Laos and situation at Hongsa power plant

To: President of the Stock Exchange of Thailand

Banpu Public Company Limited (“Banpu”) would like to inform the Stock Exchange of Thailand that its subsidiary Banpu Power Public Company Limited (“BPP”) had been notified by Hongsa Power Company Limited (“Hongsa”) regarding the Earthquake incident on 21 November 2019 at 04.03 am in Lao People's Democratic Republic. BPP has been informed by Hongsa, that there was no injury or casualty report from the incident. Due to safety precaution procedure, all the three power plant units are required to implement load reduction and temporary cessations for preliminary inspection which indicates that major equipment are in safe conditions and able to recommence operations in short period. The engineer team at Hongsa is currently undergoing detailed inspection to ensure complete and safe operations can resume. Banpu will notify again on further progress.

Please be informed accordingly and kindly disseminate the information herein to investors.

Sincerely yours,
