

## Banpu Presents Gas-to-Power Platform at Gastech 2026, Opening Opportunities for Energy Dialogue and Business Collaboration

- *Meet Banpu at Gastech 2026 under the theme “The Future Flows Circular,” spotlighting its U.S. Closed-Loop Gas business pillar.*
- *Exchange perspectives with Banpu’s energy experts through Talk Sessions exploring key topics shaping the future of energy, while opening opportunities for business collaboration at Booth C102, BITEC Bangkok, from 14-17 September 2026.*

**Banpu Public Company Limited, a leading versatile energy company**, invites all to join Gastech 2026, a global exhibition and conference for natural gas, LNG, low-carbon energy, and future energy technology industries. Meet Banpu at the booth under the theme **“The Future Flows Circular,”** which reflects the journey from energy resources to smart energy solutions, integrating businesses and capabilities across the value chain to help address growing energy demand while strengthening energy security and reducing carbon emissions.

At the Banpu booth, attendees will gain new perspectives on how various energy capabilities can be connected to create value and provide solutions that address the evolving needs of customers and markets, while also creating opportunities to exchange perspectives and explore collaboration with Banpu, drawing on its experience and expertise from operating businesses across diverse markets. The booth will also offer an in-depth look at Banpu’s U.S. Closed-Loop Gas business pillar, one of the key businesses spanning natural gas production, midstream infrastructure, power generation, and carbon capture and storage (CCS) to deliver reliable energy, support growing electricity demand, and advance decarbonization.

In addition, Banpu will host a series of Talk Sessions, inviting attendees to explore key topics shaping the future of energy through the perspectives and firsthand experiences of Banpu’s experts operating businesses across diverse markets worldwide. Key topics include:

- **14 September 2026:**
  - 1:30-2:00 p.m. US Spotlight: Powering Growth Through Natural Gas
  - 4:00-4:30 p.m. Powering AI & Data Centers
- **15 September 2026:**
  - 11:00-11:30 a.m. US Spotlight: Powering Growth Through Natural Gas
  - 4:00-4:30 p.m. Carbon Sequestered Gas
- **16 September 2026:**
  - 11:00-11:30 a.m. US Spotlight: Powering Growth Through Natural Gas
  - 4:00-4:30 p.m. Energy Symphonics: Powering Compute

**Meet Banpu from 14-17 September 2026, at Booth C102, Bangkok International Trade & Exhibition Centre (BITEC)**, to hear from and exchange perspectives with Banpu’s experts, learn more about its integrated energy solutions, and explore opportunities for business collaboration. Those interested in attending the Talk Sessions can register in advance via <https://linkly.link/2rJyc>. The first 30 registered attendees to check in at the Banpu booth for each session will receive an exclusive limited-edition Banpu souvenir.
